[scg.unibe.ch/teaching/p2](https://scg.unibe.ch/teaching/p2)

Exercise hour:

Friday 16-17

Computer pool support:

Tuesday 16-18 in A95 (Exwi)

# Groups of 2 students

Each member should send us a ssh key

More details on [p2unibe.tumblr.com](https://p2unibe.tumblr.com)

# 11 assignments

All but two assignments have to be solved

Assignments 8 and 9 are mandatory

Use git to submit your solution

Develop using Eclipse/Netbeans/...

All lab related materials will be on  
p2ubungen

# Corrections:

No grades (pass/fail)

Pushed through git

Code comments/suggestions/critics

wow – very good solution (will present it)

ok – accepted solution

fail – failed assignment

nef – revision required by next week

-- – nothing was submitted

\*\* – deadline extended

Deadline: Thursday at 13:00

Be punctual!

Can't make it: ask for an extension

First week: Friday at 13:00

Be punctual!

Can't make it: ask for an extension
